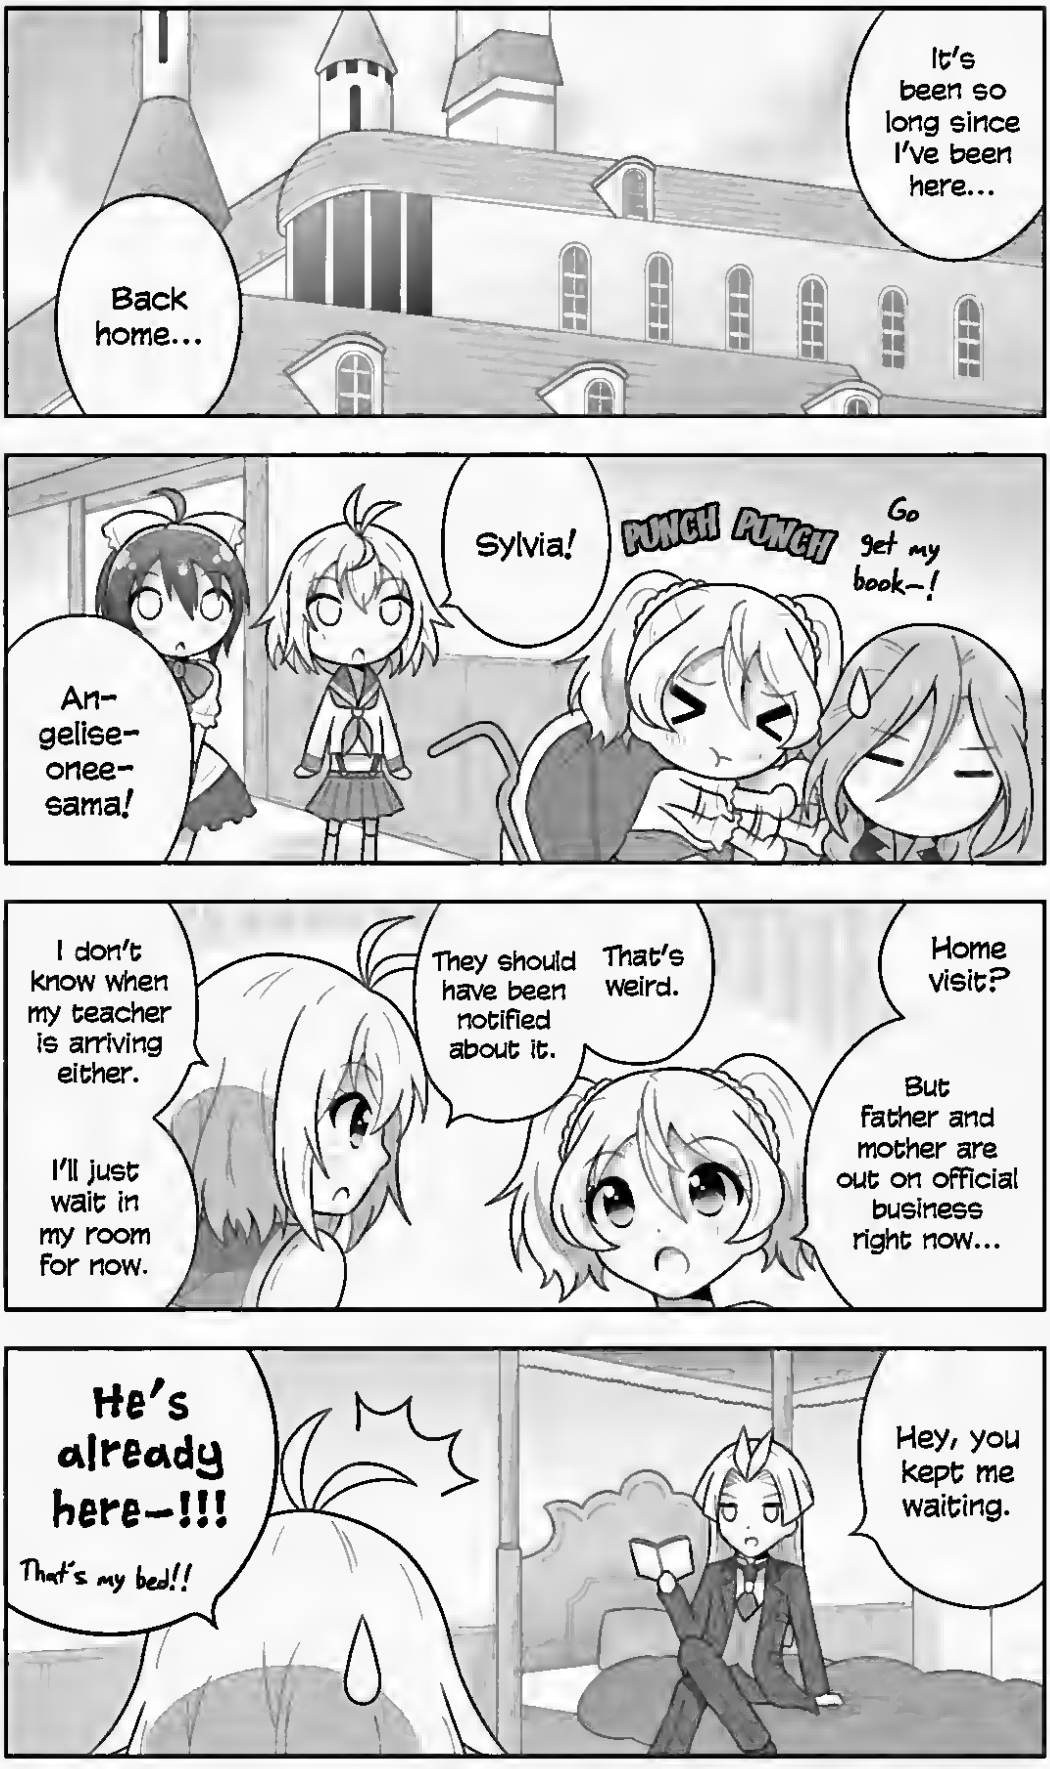
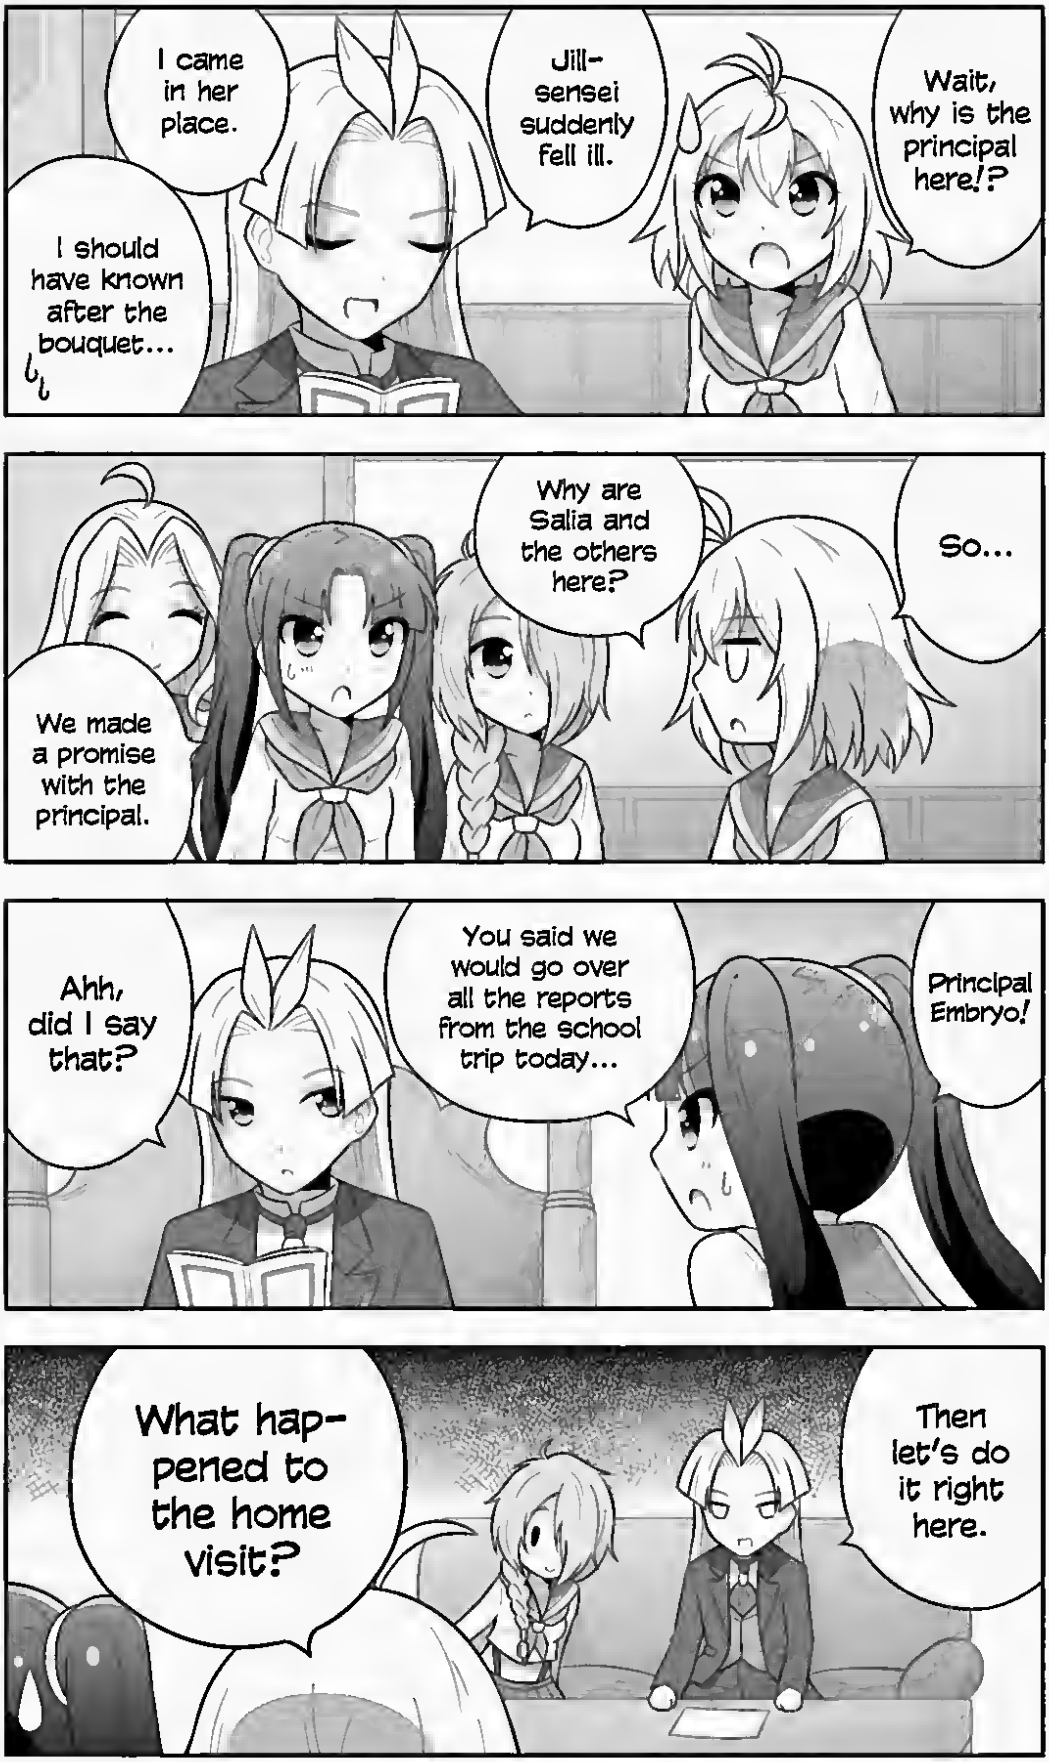
No One's Here?



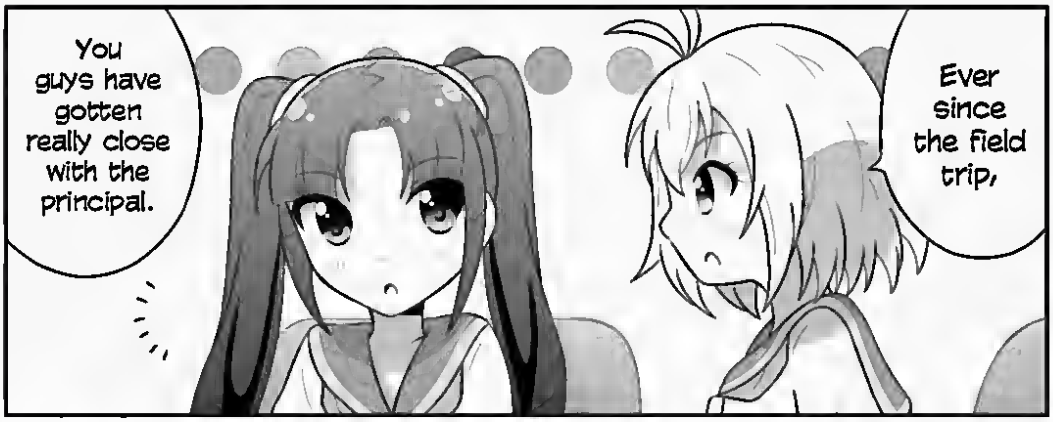
Back home...
It's been so long since I've been here...
An-gelise-onee-sama!
Sylvia!
PUNCH! PUNCH!
Go get my book-!
I don't know when my teacher is arriving either.
I'll just wait in my room for now.
They should have been notified about it.
That's weird.
Home visit?
But father and mother are out on official business right now...
He's already here-!!!
That's my bed!!
Hey, you kept me waiting.

While We're At It

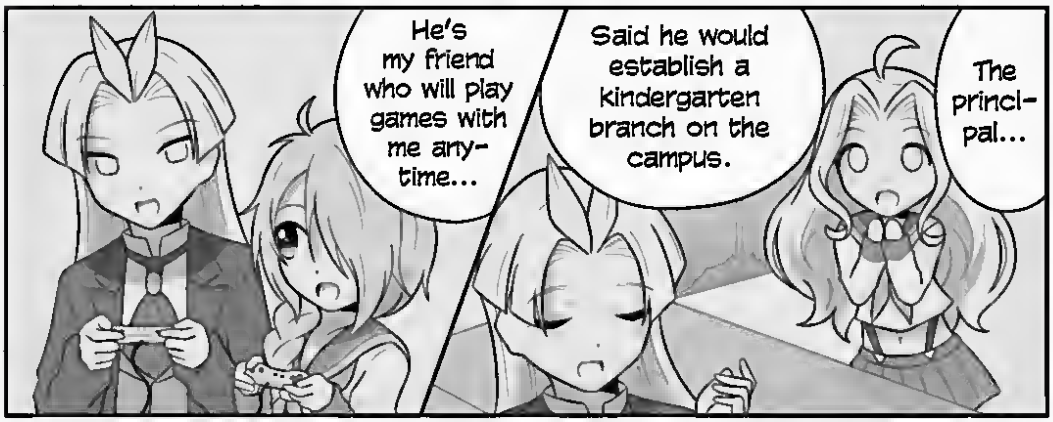


I came in her place.
Jill-sensei suddenly fell ill.
Wait, why is the principal here!?
I should have known after the bouquet...
Why are Salia and the others here?
So...
We made a promise with the principal.
Ahh, did I say that?
You said we would go over all the reports from the school trip today...
Principal Embryo!
What happened to the home visit?
Then let's do it right here.

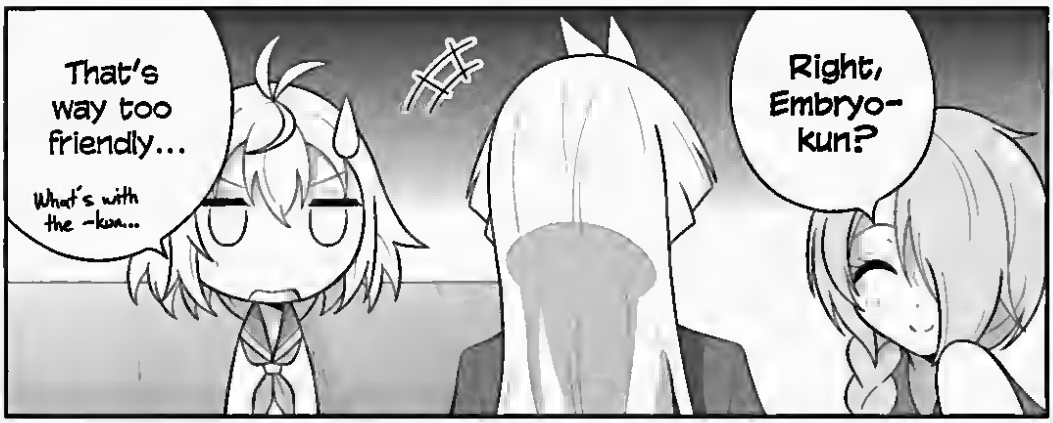
Salia's Group and the Principal



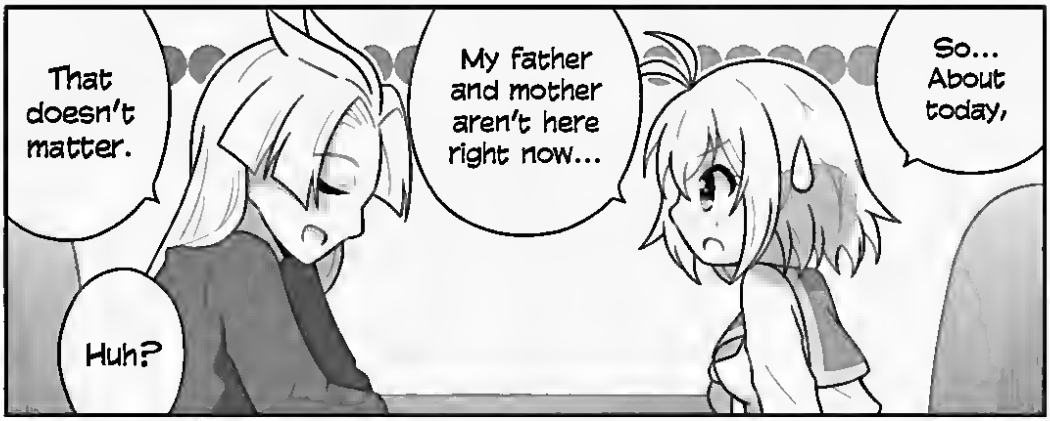
I know them better than anyone.
The principal praised me...
You've done your best as the class representative.
Your beauty, your strength, your value...

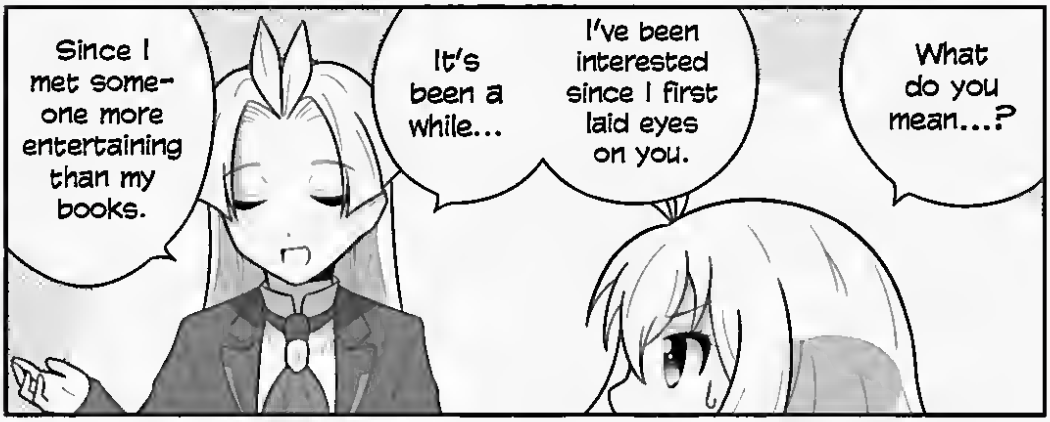


He's my friend who will play games with me anytime...
Said he would establish a kindergarten branch on the campus.
The principal...

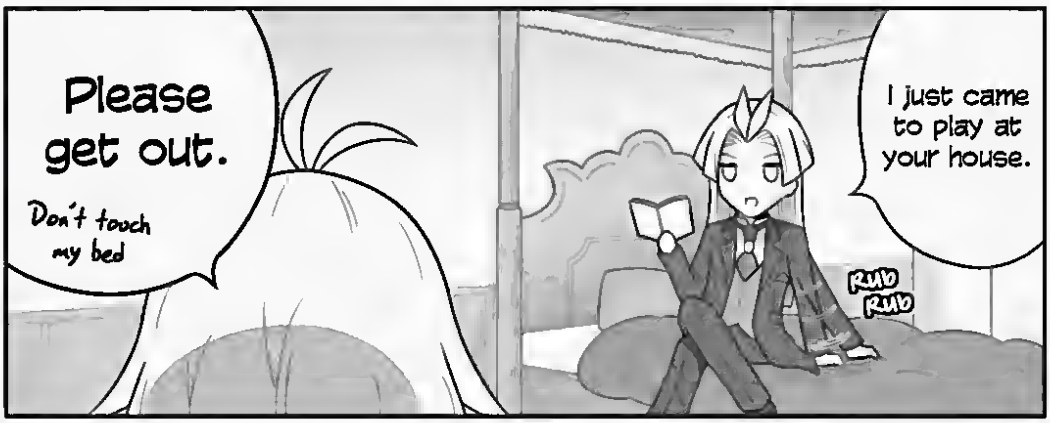


The Purpose of Today's Visit





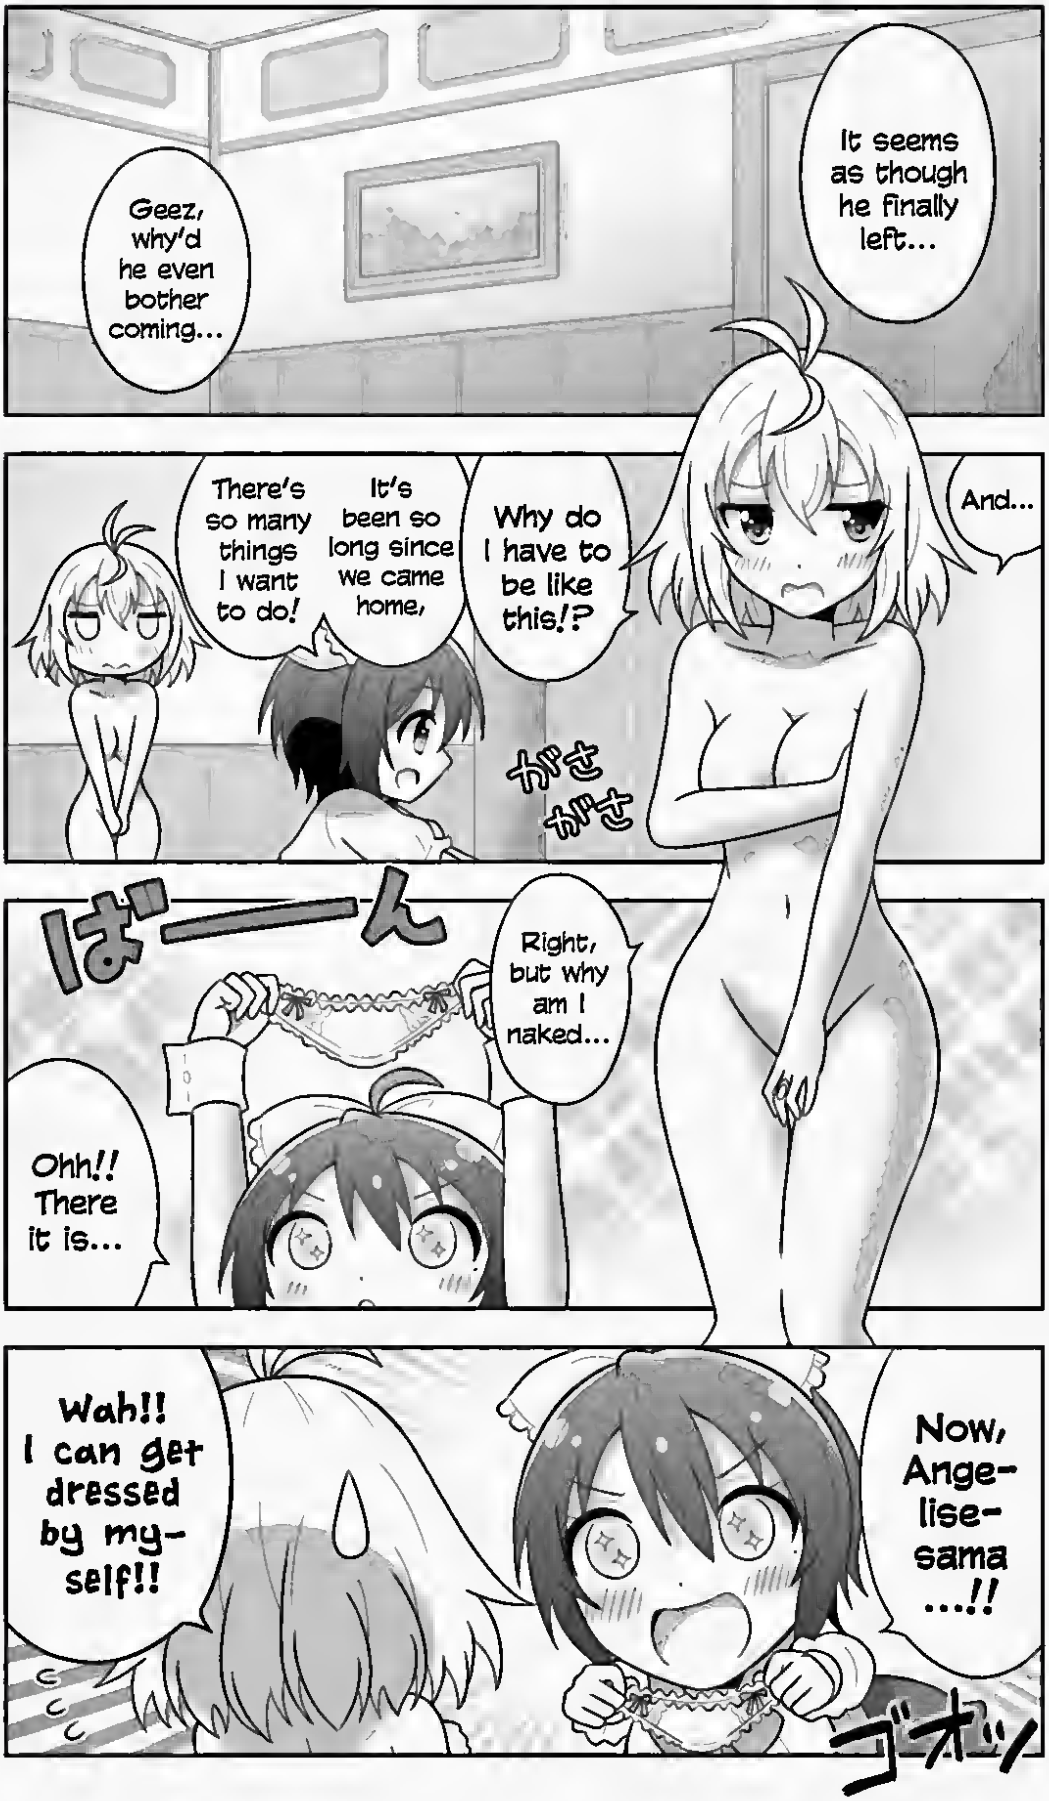
What do you mean...?
I've been interested since I first laid eyes on you.
It's been a while...
Since I met someone more entertaining than my books.



What You Want

I can provide anything you could want.
So just accept me.
I want to think for myself and live for myself!
ばっ!
I'm not empty enough to be content with...
Whatever you decide to give me!
Is that so...!
Isn't it true you forgot to buy souvenirs on the school trip?
Guh ...!!
Angelise-sama!?

I Want to Put it On



Geez, why'd he even bother coming...
It seems as though he finally left...
There's so many things I want to do!
It's been so long since we came home,
Why do I have to be like this!?
And...
がさがさ
ばーん
Right, but why am I naked...
Ohh!! There it is...
Wah!! I can get dressed by myself!!
Now, Angelise-sama...!!
